

Grow With The Culture.

Ready to Roll. Ready to Burn.

PRE-GROUND

28G

\$18

A Ground Format That Still Holds Character.

Our Pre-Grounds come from the same disciplined indoor cultivation that defines all Sattva flower, broken down only after curing to preserve aroma and structure. This gives customers an easy, ready-to-use option without losing the integrity of the bud.

	THC%	Sativa	Indica	Balanced Hybrid	Indica Hybrid	Sativa Hybrid
Strawberry Skrilla (Red Pop × Jokerz #31)	20.51%	🌿				
New York Vapor (NYC Diesel X Jokerz #31)	21.97%		🌿			

PRE-ROLL

\$5

Culturally Grown. Rolled With Intention.

We grind only after curing and pack each cone with the same flower found in our packages, creating a pre-roll that stays true to the plant instead of cutting corners. built for customers who want real flavor and a clean smoke.

	THC%	Sativa	Indica	Balanced Hybrid	Indica Hybrid	Sativa Hybrid
Strawberry Skrilla (Red Pop × Jokerz #31)	20.51%	🌿				
New York Vapor (NYC Diesel X Jokerz #31)	21.97%		🌿			

The Advantage of Carrying Real Craft

Smaller buds, same strain identity. Fresh flavor, steady potency, and clean smokeability without the premium cost. A reliable choice for everyday sessions that still feel intentional.

- True small-batch, not scaled craft.
- Bio365 soil for clean, expressive grows.
- Zero PGRs, ever.
- Solid potency across strains.
- Hand-trimmed by a dedicated 11-person team.
- Quality that turns heads at every show.

Cultivars Worth Knowing

Strawberry Skrilla (Red Pop × Jokerz #31)

Grown with care in our Sacramento indoor facility, Strawberry Skrilla is a flavor-packed hybrid that balances bright strawberry sweetness with creamy, gassy depth. Crafted by our legacy grow team, it delivers smooth, uplifting effects that mellow into a calm, feel-good finish.

Type: Sativa

THC: 20.51%

Flavors: Sweet strawberry, cream, gas, hint of citrus

Best For: Evening or late afternoon

Common Terps: limonene, trans-caryophyllene, linalool

NYC Vapor (NYC Diesel X Jokerz #31)

New York Vapor is a bright, energetic strain built around crisp citrus, sweet fruit, and a clean diesel edge. The high lands fast with clear mental lift, easy motivation, and a smooth sense of alert focus. It's the kind of strain that feels fresh and active, offering momentum without the heavy body pull.

Type: Indica

THC: 21.97%

Flavors: Citrus, Grapefruit, Skunky, Sour, Spicy, Sweet

Best For: Daytime

Common Terps: limonene, myrcene, caryophyllene
